Hello Everyone,

As we head into November, the ninth month of living with the reality of COVID-19, we continue to do our best to comply with medical experts' advice of washing hands, masking, and distancing to control the spread and also continue to hope that a vaccine will soon be available. Typically, November and Thanksgiving usher in the holiday season. This year we'll adjust with smaller family get-togethers and minimal travel, but still celebrate the good things in our lives!

Our branch activities continued to keep us engaged in October with the well-attended virtual League of Women Voters 2020 Propositions—Pros and Cons presentation. We also had two opportunities to attend "Meet the Fellows" virtual Fund luncheons and hear from several impressive, accomplished AAUW Fund grant recipients. Many of our Special Interest Groups continue to meet virtually: Game Night, Day and Night Book groups, Lunch Bunch, Bridge, Travel Group, and Movie Group (4th Friday Flicks). Check out the details in this newsletter and consider staying in touch by attending an Interest Group online. We're looking forward to the Emergency Preparedness program on November 19 while enjoying pizza from Mountain Mike's, a Local Scholarship fundraiser, scheduled for the same day. Of course, our main focus for the next few days is to use our voices by exercising our democratic right and duty to Get Out the Vote on November 3!

Happy Thanksgiving to you, your family, and friends!

Chris Burchik
Co-President

Program

**Thursday, November 19
7:00–8:00 PM
Personal Emergency Preparedness
Featuring
Cliff Buxton,
San Ramon CERT Instructor and
Emergency Management Specialist**

Curl up with your pizza from Mountain Mike's and tune into this informative Zoom program about how to prepare for a serious emergency

The presentation will be based on an all-hazards approach with an emphasis on earthquakes. We will learn the whys and hows of effectively facing emergency situations using a commonsense multi-stage approach: preparation, response, recovery, and mitigation.

There will be time allotted for questions at the end of the presentation.

Our speaker will be Cliff Buxton, a California Office of Emergency Services Emergency Management Specialist and State Outreach Instructor currently serving in the City of San Ramon Police Department's Office of Emergency Management. He's a San Ramon Valley CERT Instructor and Area Leader; he also serves on the San Ramon Valley HeartSafe Committee as an American Heart Association Basic Life Support Instructor.

A Zoom link will be sent a few days prior to the scheduled meeting time.

Updates on Scholarship Recipients

High School

All of the girls reported positive experiences when I contacted them. This is a real testament to their resilience and flexibility. Several participated in on-line internships, tutorials or research projects, and one was part of a virtual mission trip to Cambodia with her church. They also continued with jobs, family activities, and maintenance of their health and relationships with friends.

The following recipients are doing remote learning from their homes in San Ramon:

Jocelyn Gao at UC Berkeley

Jeana Lee at UC Berkeley

Vivian Kuang at UC Berkeley

Michelle Pham at UCLA

Aditi Bagepalli at Santa Clara University (changed from Boston University)

Our sixth recipient, Kasey Nye, is on campus at Notre Dame in Indiana.

Here is Kasey's response to me in September:

I'm doing great! I'm still in Indiana and at Notre Dame and, thankfully, my classes are still in person so far. We saw a minor rise in COVID cases upon coming to campus, but the university handled it pretty well and it's been smooth sailing ever since. I'm very interested in all of my classes and I'm really enjoying the college experience despite all the necessary safety precautions. I'm still planning on pursuing a major in Applied and Computational Mathematics and Statistics with a minor in Actuarial Science. I've been joining many on campus clubs with the goal of empowering women in male-dominated career fields and many other fun organizations! Between studying, clubs, football games, and overall merriment, I'm staying busy.

(There continue to be changes at Notre Dame since September and some programs are now remote, but Kasey was still able to stay in Indiana at my last contact.)

CSUEB Renaissance Scholars

Liana Rivera-Cordera (2018 recipient): Liana has been accepted into a graduate program in Education at Cal Poly San Luis Obispo.

Michelle May (current recipient 2020): I received the following e-mail from Michelle:

Please share my utmost appreciation for the abundance of giving I received! This is truly a blessing in disguise for me, I am so thankful to be supported by such an amazing heartfelt group of women and men. . . . I can't thank the AAUW enough! I AM HONORED!!

Our little dog, Duke, has been a wonderful companion during this pandemic ☺—pictured here with me at Crow Canyon Gardens.

Birthplace and other places I've lived:

I was born in Bogotá, Colombia. My family moved to San Ramon in 1980, when I was 15. I've lived in San Ramon ever since, except for my time at UC Davis.

Education:

I earned a B.S. in Community Nutrition from UC Davis and a Master's in Public Health from UC Berkeley.

Spouse:

My husband is John Larsen, an administrative law judge with the CPUC. We've been together for 20 years, married for 16.

Children:

Alex, 28, works for Aclima and makes music. Given that he is an adult with Asperger's Syndrome, we're working on helping him become independent.

Angela, 24, studied Musical Theater at NYU and now teaches voice and acting. She will be in a new musical, *Distant Thunder*, when COVID permits.

Significant Mentor or Hero:

Maya Angelou—I was deeply inspired by her book *The Heart of a Woman*.

Current and Previous Employment:

I am back at Contra Costa County Public Health as a COVID-19 case investigator/contact tracer. This is a temporary assignment due to the pandemic. My official job is Building Healthy Communities Manager, working with our most vulnerable communities to improve access to healthy food and physical activity and promote safe, active transportation.

I previously worked at the Air District (BAAQMD) as their Community Engagement Manager and before that, I was Chief of Staff for Contra Costa County Supervisor John Gioia. Before that I worked at Contra Costa Public Health as the Obesity and Diabetes Prevention Manager.

Current Interests and Pastimes:

Besides working for the county, I am a candidate for the San Ramon City Council, District 1. I have felt a strong need to give back to the community where I raised my children and where my parents and sister still live. I am a member of the Soroptimists, Rotary, and the San Ramon Historic Foundation. I was also appointed to the San Ramon Library Advisory Committee.

Memorable Experiences/Adventures/

Accomplishments:

My husband and I enjoy traveling. A year ago, we had a river adventure in France with another couple. We rented a boat and captained it ourselves through the river Lot. I learned enough French to get by, and it remains one of our most favorite vacations and adventures of all time!

Something that Might Surprise People:

I am actually rather shy, and stepping up to run for office has been a major exercise in building courage and confidence. I credit my meditation practice with helping me get to this point.

Happy November Birthdays

The Fund

I had the wonderful opportunity to watch and listen to our amazing California Fellows/Grant recipients at the California AAUW Virtual Fund Luncheon on October 10th and plan to watch the one [on October 24th](#). These women are conducting remarkable research and work. I highly recommend watching the recorded versions of these luncheons. Upon watching these individual presentations, you will undoubtedly feel pride in knowing your efforts as a member of AAUW helps support the education and careers of these dynamic future leaders.

The presentations are available to watch on the AAUW of California website at www.aauw-ca.org Once on the main page, scroll down and click on the AAUW 2020 Fund Luncheons to download the presentations.

If you are feeling inspired, there is a handy "donate" button on the site that can easily allow you to make a voluntary donation to AAUW's Greatest Need Fund in order to continue our work to support future Fellows and Grant Recipients.

Thank you.

Tech Trek Update

AAUW has announced that all Tech Trek camps (AAUW's STEM summer camp for girls entering 8th grade) in 2021 will be virtual, given uncertainties due to the COVID pandemic. Right now, that is all we know about 2021 Tech Trek camp. We don't expect to learn more until late 2020 or early 2021.

AAUW-CA continues to evaluate virtual Tech Trek camp options for California. AAUW National is modifying the Tech Trek procedures and forms. Meanwhile, AAUW-CA has told branches to not start their camper selection processes before January 2021.

So we are on standby regarding our 2021 Tech Trek camper selection process and schedule. But we still plan on holding our annual "Tips for Change" Tech Trek fundraiser on February 15, 2021 at Gianni's Italian Bistro in San Ramon—even if food orders are limited to take-out only due to COVID-related restrictions.

Check Out the Upgrades to Our Website

National AAUW has done a major upgrade to their website. This has forced all branches to also update/change our own websites due to changes with the National server.

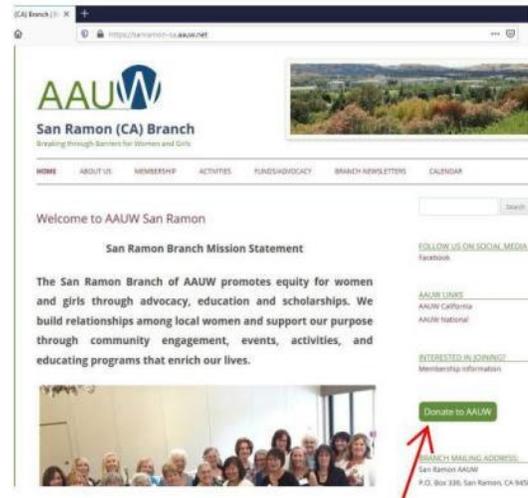

I hope each of you will make the time to visit our website and explore the various tabs. When you visit the “Members Only” section, you will need a password. If you do not remember it or cannot find it, give any membership VP a call or send them an e-mail, and they will be happy to assist you.

For the convenience of all our members, I asked National AAUW to add a “donate” button to our website. Please remember to include your membership ID number when donating so our branch receives credit. Your membership ID number can be found in the branch directory and the National AAUW website. Contact any branch membership VP for assistance (contact info can be found on page 2 of this newsletter).

News on the social media front is that we now have an Instagram account. You can find us at <https://www.instagram.com/sanramonaauw/>. Please “follow” us and “like” our posts. You can also share the posts on your stories to spread the word to family and friends.

When making a donation on the National website, please make sure to enter your ID number (found next to your name in our directory) so our branch receives credit for your donation.

On our San Ramon website, a new easy way to donate can be found on the right sidebar.

Our new Instagram account!

I welcome any feedback on our website; please send me an e-mail and let me know what you think. I would also like to know what you want to see on our website. Any, and all, ideas are appreciated.

Public Policy

Thank you to everyone who voted! There was certainly a lot of information shared about the candidates in all races and the propositions. If you attended the program on October 13, you heard a very helpful overview of the propositions and the LOWV and AAUW positions. Thank you to the OML branch for hosting and including us. I heard the OML president say there were 250 participants in the webinar!

The following article was written by Kathy Harper, AAUW CA Public Policy Co-Chair. AAUW CA has a very active lobbyist who supports AAUW CA's position on legislation that aligns with our mission. I think it is important that we stay informed of their efforts.

SB 973 Signed by the Governor!

In 2018, AAUW co-sponsored a bill requiring companies with more than 100 employees to collect and report to the Department of Fair Employment and Housing data on:

1. The number of employees by race, ethnicity, and sex for 10 job categories;
2. The number of employees by race, ethnicity, and sex, whose annual earnings fall within certain pay bands;
3. The total number of hours worked by each employee counted in each pay band during the reporting year.

The purpose of the bill is “to allow for designated state agencies to collect wage data to more efficiently identify wage patterns and allow for targeted enforcement of equal pay or discrimination laws.” The bill failed in 2019, was re-introduced last year by the same author, Senator Hannah-Beth Jackson (D-Santa Barbara), and was signed by Governor Newsom on September 30—the last day in the last hour!

Fifteen other AAUW California-supported bills were also signed by the Governor, including: improved medical care for incarcerated pregnant women (AB732); protection for women testifying in sexual assault cases from having their testimony of alcohol or drug use at the time of the assault used against them in a separate prosecution (AB1927);

addition of “sexual harassment” as a form of prohibited sex discrimination in higher education (SB493); and expansion of the California Family Rights Act to require any employer with 5 or more employees to grant a request by an employee to take up to 12 workweeks of unpaid protected leave during any 12-month period to bond with a new child or to care for themselves or a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner (SB1383).

Finally, as part of our “white allyship” posture, we are proud to have supported six bills that were enacted to address racial injustice and/or to enhance opportunities for Black women: AB979, requiring corporations to include a specified number of members from underrepresented communities on their boards of directors; AB1196 and AB1506, regulating police use of force; AB1460, requiring ethnic studies as a graduation requirement in CSU schools; AB3070, addressing discriminatory use of peremptory challenges in jury selection; and AB3121, establishing a task force to study and develop reparation proposals.

You can find additional information on these and all our 2019–20 bills on “Capitol Track” on our website.

Let me know if you have questions!

Thank you for your support.

FOURTH FRIDAY FLICKS (FFF)

Friday, November, 20, 7:30 ** Special Date

Joy Perkins is our Organizer and Movie Picker for November.

Because we can't gather to go see a film together, we hold a virtual discussion on movie night. We have all watched the Organizer's selected movie independently prior to movie night, and then the Organizer for that month leads the discussion. Usually the movies can be watched via Netflix or Amazon Prime, or some other source easily accessible to us. It has been fun, and we have had some very interesting discussions. All you need to do is download Zoom and Chris White will send you an invitation to be part of the discussion.

More Info for Movie Fans: AARP is offering free films on Fridays at 5:00 PM, but you need to register ahead of time. The movies have been varied, but enjoyable. It's sort of a weird time, but check it out if you are interested. Here's the link: To find out about new *AARP Movie Night* screenings, please visit: <https://aarp.cvent.com/variety>.

Next Movie Night:

Friday, December 18 ** Special Date

Please volunteer to Organize the December movie—otherwise it won't happen!
