Co-President's Pen

Welcome to February and the month with more holidays and month-long observances than any month I can think of!

To start the month, on February 2, we watch to see whether Punxsutawney Phil will see his shadow and leave us to endure six more weeks of winter. It is the month we celebrate “love” on Valentine’s Day, two of our presidents’ birthdays, the Lunar New Year, National Black History Month, and—if it’s a “leap year”—Sadie Hawkins Day. (Since my Mom’s name was “Sid,” I’m partial to Sadie Hawkins Day.) There are no less than 50 holidays and observances during the month!

No matter your background, you can find something to celebrate or observe! How will you enjoy the month? We have some suggestions.

Tune In to Learn About Diversity, Equity, and Inclusion!

Cindy Alpert and Lynda Gann have been hard at work with programs that are interesting and engaging. Expand your knowledge about diversity, equity, and inclusion by joining us on February 17 via Zoom. Dr. Hong Nguyen and Krista Glaser will talk to us about how they have helped individuals achieve more inclusive and equitable engagement.

Enjoy a Delicious Meal at Gianni’s and Support Tech Trek!

Tech Trek committee members Stella Hadjimarkos and Cordelia Hwang have organized an event to help girls ignite their curiosity for STEM education. On February 28, our Tech Trek committee will again host a fundraiser at Gianni’s in San Ramon. Get a delicious gourmet Italian dinner and support our effort to send middle-schools girls to a weeklong STEM camp.

Support Our Branch’s Future

Are you interested in building a great board for next year? Right now, your board is working to get members to help on next year’s board. Our Nominating Committee is being formed to contact members who might want to help next year. Let us know if you would like to be on the Nominating Committee or have a board position.

Have fun and sell ice cream to support the branch. Plans are also being made to see if we can again participate in the San Ramon Art & Wind Festival, which the City of San Ramon plans to hold in Central Park, May 29 and 30 (Sunday and Monday of Memorial Day weekend). In the past, we have sold ice cream. This is our ONE activity to pay for our expenses for holding programs, holding events, and supporting our branch. We can only participate in this outdoor event if we have enough volunteers to sell the ice cream bars. We will need to fill about 30 volunteer slots (2.5 hours each) to make our fundraising efforts a success. Working the ice cream sale is a great way to get to know other members and help the branch at the same time. I’ve made lifelong friends while selling Dove bars and helping the branch!

Let’s Keep Up the Momentum!

Please participate in branch activities. As the Beatles sang (pardon my creative license):

Everybody had a hard year
Everybody pulled their socks up
Everybody put their foot down
Everybody saw the sunshine

Let’s all spread some sunshine by giving our time to these worthy events!

Coming in March!

Redistricting Program Overview

One of the ways the Census 2020 results will affect our community is the need to change neighborhood election districts. Our March 2022 program will focus on the redistricting process and how it impacts local elections. The date is TBD, so please look for more information in the March newsletter. We will hear a presentation by San Ramon City staff on the process, changes to the current borders, and timing of changes.

The process requires public input which can be made via e-mail (districtelections@sanramon.ca.gov) or at public City Council meetings. Future public meetings are scheduled for:

- Thursday, February 17, 2022 at 7:00 PM
- Tuesday, March 22, 2022 at 7:00 PM

To learn more about the redistricting process, view more details on public hearings, access mapping tools and supporting data, and more, visit sanramon.ca.gov/redistrict_2022

We look forward to seeing you at this upcoming event!

Donation Processing Delays

The AAUW National office in Washington DC experienced severe staffing shortages during the year-end period when many donations arrive.

Member donation checks for AAUW FUND received in November and December have not yet been processed as of mid-January. According to Angela Cooper, Senior Manager in the Washington office, they hoped to have the backlog cleared by the end of January. Donations made in 2021 will be credited for 2021.

We ask any member whose check has not yet cleared as of January 31 to please contact us so that we can follow up.

We strongly recommend that anyone considering a donation to AAUW FUND make their donation online at aauw.org by selecting the DONATE button, instead of by check. Be sure to enter your Member ID number to ensure that it is added to your member record and our branch receives credit. Your member number can be found next to your name in the San Ramon Branch directory.

There was also a delay in processing donations to AAUW-CA SPF for Local Scholarships due to a USPS delivery error in Sacramento. These checks should have cleared by now, but please let us know if your check has not cleared and we will research the problem.

We encourage members to contact us directly with any questions or concerns regarding donations or branch finances.

Claire Mailhiot,
Co-Vice President, Finance with Patty Nobles

Tech Trek

Camps

According to the latest information we received from the state leadership on January 27, Tech Trek will offer both in-person and virtual camps. Our campus, Sonoma State, along with most of the campuses, agreed to offer in-person camps.

Even better, the sponsorship fee will remain at the 2019 level, \$1,000 per camper, thus alleviating the fee increases we were bracing for. In addition, the Tech Trek program will include a statewide virtual camp option with a standardized curriculum.

Gianni's Fundraiser

Unless someone like you cares a whole awful lot, nothing is going to get better. It's not. —Dr. Seuss

In the beginning of December, life around us was great. We enjoyed a window of openness and carefree outings. We even had a very successful gathering at the holiday party. We promised you a dine-in experience at Gianni's, like the good old days. Then Omicron happened.

Due to the recent spike of Covid-19 Omicron infections, we are regrettably limiting the Gianni's Tips for Change event to curbside takeout only. We do this for the safety of the patrons and especially our volunteer servers, and we hope it will not affect the level of revenue for our cause. We will give up having fun eating together as a group, but we can still enjoy a delicious Italian dinner at home and feel good about raising money for AAUW San Ramon's Tech Trek project.

Owners Gianni and Melanie Bartoletti are supporting our organization by generously donating 10% of the evening's proceeds along with all the tips to Tech Trek. AAUW San Ramon members will greet you when you arrive at the restaurant to pick up your order. See the Tips for Change Take-Out Event flyer (page 6) for ordering details. It is best to pre-order by Sunday, February 27 at 6:00 PM. You can choose from their entire menu.

Help support Tech Trek by encouraging your friends, neighbors, and family members to join you in getting a February 28 dinner from Gianni's Italian Bistro!

NEW YEAR’S CHALLENGE

Submitted by Carolyn Garfein,
AAUW CA Committee Member

Was one of your new year’s resolutions to take on a new challenge this year? Well, we have just the opportunity for you. AAUW California is looking for candidates to run for the AAUW California Board of Directors.

Board members shape the policies and programs for the state and provide support for branches. Your skills and experience will help the board accomplish our mission of achieving gender equity in California.

We’ll be electing:

Secretary (two-year term 2022–2024)

Three Directors (one-year term 2022–2023)

Four Directors (two-year term 2022–2024)

Click [HERE](#) for the election process details and nomination form. Candidate information will be posted as it is received.

Take the challenge and put your name out there!

January Program Revisited

Our **January program** was a wonderful, inspirational presentation by **Kathy Moore**, who is a local author, educator, mentor, and poet. Kathy shared how she became interested in poetry and writing and how that has developed into more than just an interest!

She has two books that will be released this spring: One is a collection of her poems, *Avians of Mourning*, and the other is a sequel to her book *Elinormal* titled *New Girl: The Further Adventures of Elinormal*.

To learn more about Kathy, connect with her through social media. To order her books, please visit or click on this link:

Membership

Membership Matters

Our San Ramon branch remains strong with 100 members as of February 2022. Our programs are ongoing using Zoom and following local safety protocols for in-person gatherings. These practices continue to be supported by AAUW at the state and national levels. We look forward to being together at the monthly program events, special interest group meetings, and fundraisers.

AAUW California Board of Directors Election April 23–May 14 (An Excerpt from the AAUW CA Website)

In 2022, members are invited to vote to elect members to the Board of Directors for AAUW CA. Our bylaws limit the AAUW CA Board of Directors to 11 members including President, President-Elect, Secretary, Chief Financial Officer (CFO), and Directors. In 2022, we vote to elect 8 positions:

- Secretary (two-year term 2022–2024)
- Three Directors (one-year term 2022–2023)
- Four Directors (two-year term 2022–2024)

When the election period starts:

- We provide every member the opportunity to vote electronically or by mail.
- **The member roster will be requested from AAUW National in early March, so every branch has time to make sure that all e-mail and mailing addresses are correct.**
- Each member with a valid e-mail address on file will receive an e-mail message containing a personal invitation to vote that includes a link to the ballot.
- Members who do not have a working e-mail address will be mailed a paper ballot.
- If you prefer a paper ballot, request one by contacting the AAUW California office at (916) 389-0220.

Membership Directory

In light of the upcoming state election as well as for all communications at national and local levels, it is vital that your contact information is current. Please check your e-mail dated December 6, 2021 or check our branch website to find the latest directory for 2021–2022. Forward changes, additions, or errors to Margo James. Your contact information will be updated on our directory, E-vite list, and the national database.

Walking Group Update

AAUW-SR restarted the Walking Group on January 8. The weather was dry and a little brisk as we walked around the lake behind the Bishop Ranch offices. In attendance were Joy Perkins, Linda and Carl Yoshizawa, Lorraine Weir, Susan Walker-Christiansen, and both coordinators: Andree Chagnon and Lois Kamoroff.

We had a lovely walk and chat as we were able to see each other in person and masked to keep ourselves safe from Covid (especially the Omicron very transmissible variant). Joy recorded our record-breaking 2.6-mile walk in one hour!

Some of us had fun as we continued our walk at the nearby San Ramon Farmer's Market. The fruits and vegetables were colorful and appealing, as were the large variety of exciting booths. Bring money to help out local economy!

Save Saturday, February 12, when we will again meet for our Sweetheart Walk around the lake.

Local Scholarship

Donor Gift Basket Drawing at March Program

January and February are the perfect opportunity for our members (including any friends and family) to donate to Local Scholarship as we plan to have our thank you gift basket drawing for all donors at our March program. Please see the photo (below) of the gift basket, which includes:

- Lovely insulated, blue fabric picnic basket that contains four colorful plates, four settings of silverware, six denim cloth napkins, and two insulated wine cups;
- Bottle of Bent Creek Petite Sirah, wine opener, and six classy wine charms;
- \$25 Costco gift card; and
- A gift card for a Deluxe Carwash at Chamois Carwash in Danville.

* The approximate value of the gift basket is \$150.

Any member, their family members, or friends who make a monetary donation (regardless of amount) to Local Scholarship, either directly or through SPF, will have their name entered in a drawing for this value-packed gift basket! Donations made starting July 1, 2021 through the day of the drawing in March, 2022 (date to be determined soon, so watch the newsletter) are eligible. ONE LUCKY donor's name will be drawn, and the winner doesn't need to be present to win—although we, of course, hope you will be present!

THANK YOU in advance for your much-needed and much-appreciated support.

Loranne Weir,
Co-Vice President, Local Scholarship with
Julie Gin and Susan Walker-Christensen

Fresh Millions Fundraiser A Success!

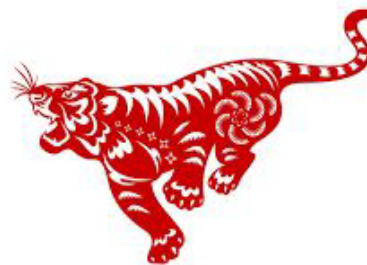

We had a strong showing at the Fresh Millions fundraiser on January 12. The receipts showed that we took in \$498.10, so our share was \$249.05.

We thank all our members and friends who participated and helped us raise this amount for Local Scholarship.

It's not too late to make a donation to Local Scholarship. A check can be sent to Claire Mailhiot. On the memo line, put Local Scholarship. If you need a tax writeoff, write "SPF, San Ramon Branch" on the memo line.

Thank you to everyone for their generosity and support this year.

Co-Vice President, Local Scholarship with
Susan Walker-Christiansen and Loranne Weir

California Legislature Update

This month we share an update from Asha Bajaj, Public Policy Chair for the Danville-Alamo-Walnut Creek Branch of AAUW, regarding the status of various bills in the California legislature. We also want to alert our members to upcoming events that may be of great interest.

The housing crisis in California disproportionately affects low income people and women. This legislative year, Governor Gavin Newsom signed into law 31 pieces of legislation designed to combat California's ongoing housing crisis by providing tools to expand housing production, streamline housing permitting, and increase allowable density across the state. Key housing-related bills, which take effect on January 1, 2022 unless otherwise noted, are discussed below.

SB 7, known as the Housing and Jobs Expansion and Extension Act, took immediate effect as an "urgency statute" to address the state's housing crisis through zoning and the California Environmental Quality Act (CEQA) reform. It reenacts AB 900 through 2025 and extends expedited CEQA review for small-scale infill housing projects.

SB 8 extends the term of the Housing Crisis Act of 2019 (SB 330) to January 1, 2030, and allows applicants who submit qualifying preliminary applications for housing developments prior to January 1, 2030 to utilize the protections of the Act through January 1, 2034. SB 8 also clarifies aspects of the existing law.

SB 9 provides for the ministerial approval of certain housing development projects that contain up to two dwelling units (duplexes) on single-family zoned parcels and provides for the ministerial approval of qualifying lot splits that subdivide single-family parcels into two lots if various criteria are met. Taken together, these provisions allow for the development of up to four housing units without further CEQA review, where only one would have been permitted.

SB 10 enables local agencies to adopt ordinances that allow for up to 10 units per qualifying parcel in transit-rich areas or urban infill sites without CEQA review.

SB 290 amends California's Density Bonus Law to clarify specific provisions of the law and offer incentives to certain student housing projects. First, SB 290 explicitly states that the Density Bonus Law applies to both rental and for-sale housing development projects. Second, SB 290 extends the law's allowance of limited parking to low-income developments.

SB 478, the Housing Opportunity Act, prohibits restrictions on floor area ratio (FAR) that effectively ban the construction of apartment buildings. This bill prevents local governments from establishing a FAR of less than 1.0 for projects that are three to seven units or less than 1.25 for projects that are eight to 10 units.

SB 791 creates the California Surplus Land Unit, a technical assistance unit within the Department of Housing and Community Development (HCD), to "facilitate agreements between housing developers and local agencies that seek to dispose of surplus land; provide advice, technical assistance, and consultative and technical service to local agencies with surplus land and developers that seek to develop housing on the surplus land; and collaborate with specified state agencies to assist housing.

AB 571 prohibits local governments from imposing affordable housing impact fees on the affordable units in a housing development's density bonus project.

AB 1398 requires local agencies that fail to adopt legally compliant housing elements to properly rezone within one year. The bill ensures cities and counties are adequately re-zoning to meet their housing needs.

Abortion Rights Access

The Supreme Court declined to block a Texas law that banned terminating pregnancies after six weeks.

Abortion rights advocates counted one win when the federal government announced it would allow patients to receive abortion pills prescribed for up to 10 weeks of pregnancy by mail, although some states will continue to have their own restrictions on mailing the medication.

In the session that began in January, California legislators hope to push forward **Senate Bill 245** by Sen. Lena Gonzalez (D-Long Beach), which would put an end to out-of-pocket costs paid by those seeking abortions that on average range from \$300 for a medication abortion to nearly \$900 for a procedural abortion, according to the California Health Benefits Review Program.

Continued on the following page

Public Policy, continued

Renewed interest in the bill was sparked by Newsom and legislative leaders, who in September asked Planned Parenthood Affiliates of California and dozens of other supporters to develop a plan for the state to become a sanctuary for anyone denied abortion services in other parts of the country.

The coalition, the California Future of Abortion Council, recommended 45 changes earlier this month to improve access for residents and create additional capacity should states outlaw abortion, including exhorting lawmakers to prioritize SB 245 and get it past the finish line.

Upcoming Events of Interest

State Senator Steve Glazer Via Zoom February 15

The AAUW Orinda-Moraga-Lafayette (OML) Branch will host a Zoom meeting with Steve Glazer, California State Senator for District 7 (most of Contra Costa County and Eastern Alameda) starting at 9:30 AM. The first half-hour is for gathering and socializing; and Sen. Glazer is scheduled to speak at 10:00 AM with discussion to follow. Mr. Glazer was unable to participate in Lobby Day last year, so this is an opportunity to hear his views. OML will send a list of issues to the senator for discussion. OML will send out a Zoom link via IBC and e-mail in advance of the meeting, and the link and any publicity will be forwarded to other AAUW branches including San Ramon. This event will also be open to the public.

March (Date TBD)

The San Ramon Branch is planning a meeting, most likely also via Zoom, with San Ramon City Staff regarding Census Redistricting, how that will affect local residents, and what it means for AAUW issues. As this may happen prior to the IBC March meeting, we will send out more information as it comes in. Again, we hope for a large branch turnout and public participation.
