HERE COMES THE SUN

Saturday, September 17th was a wonderful, uplifting event for all who attended either in person or via Zoom! I'm so sorry if you missed our gathering. In a world where negativity comes at us from all directions, participating in this event was a positive "shot in the arm."

The Membership Event was such a joyful experience. Even though we have had other gatherings earlier in the year, this one felt like a renewal for our energy and enthusiasm to continue the good work we do. We are part of something bigger that helps to impact the lives of women and girls—and this event reinforced that feeling.

Our Tech Trek campers and Renaissance Scholars spoke to us about the impact our branch has had on their pursuit of education. They spoke eloquently, and it was fun to talk to them in person. The diligent work of our Tech Trek and Scholarship Committees and the generosity of our members both help these young people access resources they so desperately need.

Come Along for the Ride

At the event we introduced a way for each member to get that same kind of boost of positivity: "Snackable" or small, easily accomplished volunteer tasks that support the branch were introduced at the Membership Event. Many of the attendees and even some non-members—signed up to help with some of the jobs we need to keep supporting our projects.

Where is your mindset going to be this year? Will you be sitting on the sidelines or will you be having fun with the rest of us? We'd love for you to take on a job, even a little one, hopefully with someone in the branch and get to know someone new.

You'll be more energized and enthusiastic by participating instead of observing.

I joined this branch in 1998 with the idea that I wanted to meet like-minded people in my new community. What I came away with was a group of wonderful friends who I believe I will have for a lifetime. We worked together on movie projects, ice cream sales, reviewing applications for scholarships, folding letters, and sending notes. Working together gave us a platform to get to know another person from a different perspective.

Come Join Us

Be part of something bigger that can change the lives of women and girls! Our mindset dances to this tune! We are vibrant and smart. We are action people.

Whether I'm giving of my time, energy, or money, I always come away with a positive boost that can't be gained by sitting back and watching. Hope to see you along the way.

Membership Kickoff Event: A Huge Success!

Our annual Membership Event was held September 17 at the San Ramon Community Center—and it was a huge success thanks to the efforts of many people. This was our first Membership Brunch in a hybrid format: We met in-person and via Zoom! Beth and Jack Robertson, as our our Technical Support team, were phenomenal in helping us navigate this format.

One of the main highlights was hearing from the 2022 Tech Trek campers. Each young lady shared memorable moments of her experiences at the residential or virtual camp. They continue to amaze us with their outstanding presentations. (See pages 5–6.)

We also heard from the five Renaissance Scholars. These women have overcome tough challenges to attend college, and we are humbled by their stories of success and strength. They expressed their appreciation of the scholarships and gift baskets presented to them. (See pages 7–8.)

Two members received special recognition as they reached their 50th year as members of AAUW! Sandra Budde and Jane Young contributed to AAUW in many ways. We were happy to recognize them and their accomplishments. (See pages 6–7.)

We enjoyed catching up with our AAUW friends and welcoming new members. We had some fun learning about our many Special Interest Groups. And we heard updates on the hard work of our board members. Check our website for more fun pictures and the PowerPoint presentation.

We look forward to “seeing” you at future programs, events, and meetings.

Our first hybrid Membership Event is a hit!

And, of course, there was a yummy brunch.

Pros and Cons of Propositions: Two Sessions to Choose From

In October, we have two opportunities to learn pros and cons of the upcoming California ballot propositions.

Presentations by the Diablo Valley League of Women Voters will provide the background of each proposition; what the costs and benefits would be if it's passed or not passed; and who supports, opposes, and finances efforts to pass or not pass the proposition.

Two events are planned. Choose one and sign up using the appropriate link below:

Tuesday, October 11, 7:00–8:30 PM via Zoom

Hosted by the Orinda-Moraga-Lafayette Branch

Tech Trek Campers at Membership Meeting

Standing left to right: Cordelia Hwang (Tech Trek co-coordinator) with Tanishi Rawal, Anaika Khatod, Sahana Nagandla, Rhea Shenoi; Sarah Tan (counselor, top left), and Aynura Murid (top right). [Grace Sehgal and Naisha Aggerwal were not able to attend.]

Four of our wonderful 2022 Tech Trek campers with their parents were our honored guests at the Annual Membership Brunch on September 17. One additional camper and the alumna counselor attended via Zoom.

After a rigorous selection process, these young women, now in grade 8, were awarded our full sponsorship to attend AAUW's Tech Trek camps. They spent a week this past summer engrossed in the world of science, technology, engineering, and math (STEM) with hands-on activities and encounters with women that have real-world STEM careers. This year, five of our campers attended the residential camp at Sonoma State University, while two campers attended the virtual camp. At the brunch, our campers gave their personal stories about the week. They talked of making new friends, of bonding and working together on a challenge, of hands-on building projects and lab experiments that showed them a wider picture of STEM, and of hearing about different career options they might consider. Our members loved hearing their comments, such as “I learned that math is the basis for everything,” “Star gazing was so exciting,” and “I liked living on my own and making my own decisions.”

The campers were presented with a certificate of selection by the branch and a souvenir Tech Trek stuffed bear.

We look forward to hearing from these young women as they move on to high school, college, and beyond and wish them well.

Tech Trek *continued*

Planning has already begun for next year's Tech Trek residential and virtual camps. One of our branch goals is to raise the funds to sponsor our 2023 Tech Trek campers. Your support is critical and will be much appreciated. Tax-deductible donations are welcome at any time! Make checks payable to AAUW CA SPF with memo line "Tech Trek San Ramon."

Please save the date for our main fund raiser at Gianni's Restaurant on February 6, 2023.

Let's make 2023 another banner year for our Tech Trek program. Thank you.

Renewal of Dues: Deadline Was September 30

The deadline to renew your membership for 2022–2023 was September 30. Please contact your Membership Team if you need assistance with the renewal process.

Member Roster and Evite List

Margo James maintains the branch member roster and Evite list. Please let her know of any changes to your contact information.

Prospective Member Guests and Shape the Future Discount

Prospective member guests are welcome to attend our monthly programs and interest groups. Keep in mind the ongoing Shape the Future discount, which new members receive if they join at or soon after attending a public event such as our monthly programs. The discount is 50% off the national dues for one year—a \$33.50 savings.

If you know someone who is interested in learning about and potentially joining our branch, please share their contact information with the Membership Team. We will invite them to the next branch event(s).

Honoring Sandy Budde and Jane Young: 50 years with AAUW!

Sandy at left, Jane at right

Sandy Budde was born in San Jose and raised in Palo Alto. She received her bachelor's degree and teaching credential from UC Davis, where she met her husband, Dave. She went on to earn a master's degree from St. Mary's College. Dave and Sandy have three children.

Continued next page

Membership *continued*

Sandy taught Spanish and French at Los Cerros Middle School and Monte Vista High School. She went into administration at Monte Vista High School and then became the principal at Charlotte Wood Middle School, later retiring after 40 years with the San Ramon Valley School District.

In answer to the question “Why college?” Sandy thought it was so she could fulfill a goal she’d had since her youth: to join AAUW. She joined the Danville, then San Ramon branch and has participated in bridge, book exchange, bay area outings and gourmet groups.

Sandy is passionate about charity work, especially when it lifts the lives of women and children around the world. A highlight was a local charity drive in 2004. Her son Ben, who was serving in the Marine Infantry in Iraq, mentioned that children did not have shoes. Sandy shared this story with teachers and students at Charlotte Wood Middle School and, together with the community, they sent 6,000 pairs of shoes to Iraq. In her words, “That was a heartwarming mix of my interests in charity, travel, and children coming together.”

Jane Young was born in Mississippi and grew up in Gilchrist, Oregon. Her father worked for Gilchrist Lumber in the small company town, population 100. Jane was one of 15 in her high school graduating class. She met her husband, Mike, after high school; they have two children.

Jane graduated from Oregon State University with a degree in Education and was an elementary school teacher while raising her children. She obtained a paralegal certificate once her children were grown.

Jane originally joined AAUW in Marin County, where she remembers attending her first AAUW Tea at the Marin Art & Garden Center, a “white-glove” affair. Jane maintained her membership through many moves to Texas, New Jersey, and Southern California. She has participated in bridge, book club, and study topic groups.

A highlight for Jane was the 1982 event “A New Day Beyond ERA.” As a member of the North Monmouth County branch of AAUW, she served as the New Jersey state co-chair for the committee coordinating activities in support of the ERA, which had just failed ratification the day before. Over the years, Jane has directed that same energy in support of Fund and Get Out the Vote. Currently, she is gearing up to support our effort to interest young women to join AAUW.

Congratulations Sandy and Jane!

Wednesday, October 12: Mountain Mike's Pizza All-Day Fundraiser

Local Scholarship is hosting an **all-day** fundraiser at Mountain Mike's Pizza Wednesday, October 12. Thirty percent (**30%**) of your order will be donated to support scholarship funds for local high school students and Renaissance Scholars. Bring in the flyer or show it to the cashier on your smart phone.

Address: 2205 San Ramon Valley Blvd

Phone: (925) 314-9600

Hours: 11:00 AM–9:30 PM

Please spread the word to your family, friends, co-workers, and neighbors. It's a good day to not have to cook! You might want to order an extra pizza for another day. Thank you in advance for supporting this fundraiser for Local Scholarship.

Renaissance Scholars at Membership Meeting

L to R: Michelle May, Celena Johnson, Susan Walker-Christensen, Karla Padilla Gonzales (onscreen), Felecia Hubbard and her son (in mask), Amy Nguyen, Julie Gin, and Loranne Weir

We are so grateful that our branch has continued to support the young women from the Renaissance Scholars Program at CSUEB. This year, we presented four \$1,000 scholarships and one \$500 scholarship to five very talented and impressive women. They have demonstrated significant determination and focus to achieve their academic and personal goals. Each recipient also received

a Student Affiliate Membership to AAUW along with a “Back to School” gift basket or award. I hope that those of you who were able to attend our brunch had a chance to meet or hear about these exceptional young women. Following are brief profiles of our five recipients.

Karla Padilla Gonzales is a junior this fall. She is majoring in Human Development with an emphasis on Child Development. Karla has three young children, lives in San Bernardino, and has completed an AA degree. She is an on-line student at Cal State East Bay and hopes to pursue a Master’s degree in social work and work with low-income families or foster youth. Karla credits the foster care system with enabling her to stay in the United States legally and complete her education after becoming homeless when most of her family was deported. She is grateful for the opportunities she has been offered and eager to help others. (She joined us on Zoom.)

Felecia Hubbard will continue as a junior this fall, majoring in Human Development and Women’s Studies. Felecia grew up in Southern California and has an AA degree in Psychology from El Camino College. She is interested in becoming a social worker or working with youth in a residential setting. Felecia lives in Oakland and has a son who is 21 years old. She has worked at several jobs as a single parent and as a college student while dealing with health issues. She has strong recommendations from both supervisors and instructors and is passionate about support for women and foster youth.

Celena Johnson, a returning scholarship recipient (2019), will graduate in the fall of 2022 with a major in Public Health. After graduation, she plans to apply to a Master’s of Nursing program to fulfill her goal of becoming a neonatal nurse. Those of you who remember Celena from 2019 will recall her own experience as a newborn in the NICU and that becoming a nurse has always been her career goal. Celena currently lives in Fremont and continues to hold several jobs, including working on the CSUEB campus and for the City of Hayward.

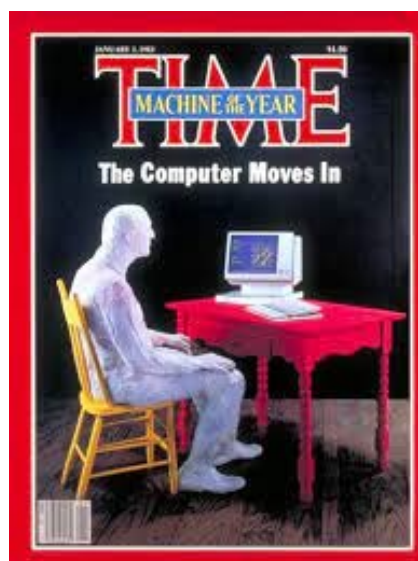

Michelle May will continue as a senior in the fall and is a returning recipient of our scholarship. She is majoring in Human Development with a concentration in Gerontology. She would like to establish a long-term facility to provide for seniors. Michelle grew up in Oakland and lives in Livermore with her two young daughters. She has an AA degree in Sociology from Laney College and works in Pleasanton. Michelle has participated in several of our branch activities (including our May luncheon) and is very positive and enthusiastic about AAUW. She continues to express her gratitude for our support.

Amy Nguyen has transferred to San Francisco State University this fall and entered the Nursing Program. Acceptance to this program is very competitive; few are selected each year. Amy has both excellent grades and recommendations. Amy has been majoring in Psychology and Pre-Nursing at CSUEB. She lives in San Leandro and has two children. She has worked as a medical assistant at Kaiser for 11 years and volunteered at teen clinics. Amy’s career goal is to become a nurse practitioner. (She was notified about this opportunity after we selected her as a recipient from CSUEB; our committee decided to continue to support her this year.) She expressed a great deal of interest in AAUW and is grateful for our support.

Thank you again to all of our members for your continued support, which enables us to provide financial support and recognition for these deserving young women.

Additional special thanks to members who contributed to the gift baskets. We filled the “baskets” this year with gift cards and cash donations in addition to some specific useful or personal items. Gift card donations from Target, Safeway, Amazon, gas stations, and cash will provide them with options for groceries, school/office supplies, household supplies, school expenses, and personal needs. In addition to laundry supplies, the cash and gift cards totaled almost \$700 for each recipient.

Finding Future Fellows And Grantees: Are You Interested?

Every year, AAUW selects recipients for various graduate and postgraduate grants in the areas of American Fellowships, Career Development Grants, Community Action Grants, International Fellowships, International Project Grants, Research Publication Grants in Engineering, Medicine and Science and Selected Professions Fellowships. Panelists are needed to help select these recipients.

WHAT: Panelists review and discuss applications to recommend awardees to AAUW.

WHEN: Panelists' terms are 2 years and begin January 1 of each year.

HOW: Prospective panelists must complete an application form by October 31. Forms submitted after that date will be held for future appointments.

REQUIREMENTS

Panelists should have a commitment to advancing gender equity in higher academic, the professions, and/or the community.

Panelists for American Fellowships, Career Development Grants, International Fellowships, Research Publication Grants in Engineering, Medicine and Science and Selected Professions Fellowships should have a doctoral or professional degree and be currently employed.

Community Action Grants and International Project Grants panelists should have experience in grant writing and/or grant administration (including evaluation and selection) and in planning and budgeting for similar projects and programs. They should also have knowledge of contemporary career areas for women and equity issues for women and girls. And they should have a strong grasp of institutions of higher education, financial concerns of returning women students, and accreditation requirements.

AAUW values and seeks diversity in its appointments. For more information, email fellowships@aauw.org.

Book Exchange Picnic

On a warm Wednesday afternoon, August 24, nine of our Book Exchange members got together to share books they enjoyed throughout the year and catch up with friends they haven't seen.

We shared stories and caught up with family and travel plans. Our current exchange is finished, and we look forward to the new books that are chosen for 2022–2023. Thanks for such a great and dependable group!

★★ Happy 40th Anniversary ★★

Thanks to the efforts of a very enthusiastic group of 15 women, our branch was officially chartered on October 20, 1982. The initial group were active in the Danville/Alamo branch and felt a new branch was needed that would hold evening meetings and activities for working women in the valley. Informal organization meetings were held in the summer, and the San Ramon Branch was formed with 61 registered charter members.

A few fun facts...

- Dues for local, state, and national were \$28!
- Our first president was Judy Macfarlane.
- The first Membership Brunch was held on September 18, 1982.
- We endorsed the San Ramon Incorporation ballot measure (San Ramon became a city in March 1983).
- Scholarship committee raised \$300 selling McDonald's certificates.
- We awarded a \$300 scholarship to a Cal High graduating male student; we subsequently voted to award future scholarships to local graduating female high school students who plan to attend a 4-year college or university.
- Special Interest Groups included Couples Bridge, Evening Gourmet, Literature Study, and Travel.
- Fran Bartholomew, Diane Griffiths, Cheri Ng, Carol Rowley, and Diane Schinnerer are charter members and still active in our branch.

We will feature recaps of the past 40 years in our monthly newsletter and continue celebrating this accomplishment through the year.

Congratulations to us!

THE NIGHT BOOK GROUP

Third Monday

Monday, October 17; 6:30 PM **Special time

Via Zoom videoconference

Evening Book Group will host a virtual potluck and book selection in lieu of our annual live social gathering. We will meet via Zoom to present our choices for next year's reading and discussion. Each member should select no more than three (3) books to present at our meeting. Please send the title and author of each book to Cheri Ng by Thursday, October 13. It would be helpful to include the number of pages and whether the book is in hardcover or paperback (if you have that information). Cheri will type up and send a list of all the books that are to be presented at the meeting, leaving space for people to take notes during the presentations. Duplicate choices will be noted. Feel free to submit any variety of genres—fiction, non-fiction, biography, mystery, classics, etc. The presentation should be a brief description of why you think the book might be a good choice for the group. Sometimes this might be a book you have read and loved and want to share. Sometimes it may be a book that you've heard about but haven't read or just a book that caught your eye and seems interesting. We are very non-judgmental!

At the end of the evening we will vote for our top 11 choices. This may be via our Zoom meeting or I may just ask you to submit your list of top 11 choices. The method of voting is yet to be determined.

Once we have our 11 choices, we will decide what months to read which books (for example, December is typically a shorter, easier read due to the holiday season). I will also ask for volunteers to lead the book discussion each month. It should be great FUN!
